The California Public Utilities Commission (CPUC) will hold public meetings to obtain community feedback regarding implementation of an area code overlay for the 310 region in place of an area code split.

Cingular, Nextel, SBC, Sprint, T-Mobile, Verizon, and Verizon Wireless have filed a joint petition with the Commission to modify Commission Decision 00-09-073, which authorizes the North American Numbering Plan Administration to split the 310 area code when the Commission determines that an area code change is necessary due to number exhaust. The joint carriers request that the Commission modify its decision and adopt a triggered overlay for the 310 area code instead of a split. The companies propose that the overlay triggers when only six prefixes remain in the 310 area code. Currently eight prefixes remain.

If an overlay plan is adopted, consumers in the 310 area code would need to dial "1" and then the 10 digits of the telephone number to make a local call. An overlay plan, however, would allow all business and residential consumers to retain their existing telephone numbers.

If special arrangements are needed, such as sign language or foreign language interpreters, please contact the CPUC Public Advisor's Office at 415-703-2074 or toll-free 1-866-849-8390 or TTY 415-703-5282 or 1-866-836-7825, or by email at [public.advisor@cpuc.ca.gov](mailto:public.advisor@cpuc.ca.gov) at least three days in advance of the event.

### NOTICE OF DRAFT RESOLUTIONS (Pursuant to PU Code § 311(g))

#### NOTICE OF RESOLUTION TO DISCLOSE INVESTIGATIVE REPORT

Draft Resolution Authorizing Disclosure of Commission Consumer Services Division (Utilities Safety Branch) Investigation Records pursuant to: (1) General Order 66-C Requests by the law firm of Thon, Beck & Vanni, representing the injured party, Daniel Evard, and by the law firm of Haight, Brown & Bonesteel; and (2) a Deposition Subpoena served by Southern California Edison Company's attorneys at the Law Offices of Don H. Zell. These record requests seek disclosure of Commission staff investigative records relating to an accident that occurred on January 27, 2004. A draft resolution (L-316) by the Legal Division authorizing disclosure of the Utilities Safety Branch's investigative report concerning Incident No. E20040127-01 is scheduled for consideration on the May 5, 2005 Commission meeting agenda. The Commission may vote on this resolution at that time, or it may postpone a vote. The Commission may adopt all or part of L-316, amend or modify it, or set it aside and prepare a different resolution.

On April 4, 2005, the draft resolution was circulated to the requesting parties including the subject utility, Southern California Edison Company, pursuant to Public Utilities Code Section 311(g) and Rules 77.7 and 81 of the Commission's Rules of Practice and Procedure. Interested parties may review the draft resolution and service list at the "Currently Open for Comment" section of the Commission's Internet site at [cpuc.ca.gov](http://cpuc.ca.gov).

The Commission will consider the draft resolution at its May 5, 2005 meeting. Interested parties may file comments on the draft resolution, and may file replies to comments. An original and two copies of comments must be filed with the Legal Division by April 21, 2005, at the address set forth below. Reply comments must be filed by April 27, 2005. Parties making comments must also serve comments, and reply comments, on the service list, and send copies of comments and reply comments by electronic mail to the email address below. Comments shall focus on factual, legal or technical error in the draft resolution, and reply comments shall be limited to identifying misrepresentations of law and fact contained in the comments of other parties. Order Instituting Rulemaking to promote policy and program coordination and integration in electric utility resource planning.

**Summary:** On April 12, 2005, Mark Snell, President of Sempra Global (Global), met with Pres. Peevey, in San Francisco. Also present were Julie Fitch, advisor to Pres. Peevey, and Alvin S. Pak, Director of State Regulatory Affairs for Global. The representatives of Global discussed the assigned Commissioner's ruling of January 28, 2005. The representatives of Global indicated that reallocation of the SG-CDWR contracts to San Diego Gas & Electric Company (SDG&E) could pose several operational issues and burdens for SDG&E that Edison, because of its much greater size in relation to the scale of the contract, did not face. The representatives of Global explained that while these issues and burdens could potentially be resolved, it did not appear to Global that any economic benefits would accrue to ratepayers, the utilities or the state from reallocation, in any event.
